TASTING NOTES
Red coloured wine, with average depth, showing signs of evolution; good aromatic richness with noticeable aromatic progress of floral notes of violet and red berries, a hint of green pepper, provided by one of the varieties in the blend, leads to a spicy aromatic finish.
Medium to fully-bodied wine, expertly framed by well-developed tannins, combined with good acidity and ripe fruit; delivers a delicate, sharp finish.

FOOD PAIRING
Perfectly paired with red meat, roasts and game.

REMARKS
Store bottles on their sides, at 16°C.
Decant the wine 30 minutes before serving. Serve at 16°C.
